

Air Sniper Spectrum 800™

Your Clean Air Solution Experts

KEY FEATURES

WHISPER QUIET

LOW COST OF OWNERSHIP

**UVC TECHNOLOGY
BACKED BY SCIENCE**

Air Sniper creates safer environments at the most cost-effective price. Our UVC technology delivers state-of-the-art peace of mind, and our transparent transactions leave you feeling confident and cared for.

**You can count on our technology.
But even better, you can
count on our honesty.**

Air Sniper Spectrum 800™ units offer complete protection without disruption, this stand-alone, portable unit is whisper quiet, easy to move around and Bluetooth enabled for remote monitoring and control.

PLUG AND PLAY

The Air Sniper Spectrum 800™ unit is easy to move around to the spaces that need it most and with Bluetooth monitoring, you can effortlessly control your protection from just about anywhere.

WHISPER QUIET

Air Sniper offers protection without disruption, unlike traditional stand-alone units. The Spectrum 800™ can be plugged into any room to provide superior protection without additional background noise.

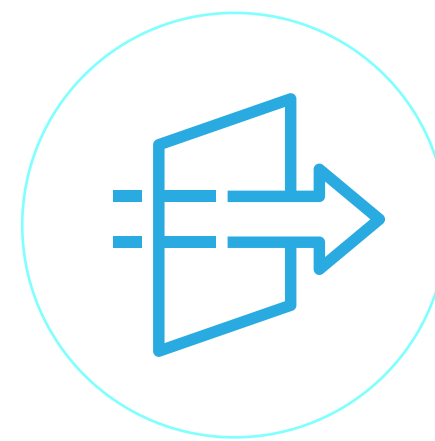

CLEAN AND FAIR COSTS WITH UNLIMITED AIR PURITY

The Air Sniper Spectrum 800™ offers the most cost effective solution per air exchange, with no installation or operating costs.

Air Sniper Spectrum 800™

THE MOST EFFECTIVE SOLUTION

What you're really
installing, is confidence.

AIR SNIPER SPECTRUM 800™

The Air Sniper Spectrum 800™ is installed anywhere you want by simply plugging it into a power source to provide supplemental protection and remove airborne viruses, bacteria, and molds as air passes through.

BETTER SCIENCE MEANS BETTER HEALTH FOR YOU AND THOSE COUNTING ON YOU

Air Sniper's UVC technology has been proven under strict laboratory testing conditions to consistently and effectively reduce 99.9% of airborne pathogens.

BLUETOOTH COMPATIBLE

All Air Sniper Spectrum 800™ units are Bluetooth enabled so that you can monitor and control your protection from any room.

PROTECTION YOU CAN COUNT ON. ANYWHERE.

When it comes to your health and safety, we take a straightforward approach. With no installation or down-time you can plug in the Spectrum 800™ unit into any room and have confidence that you and your people are protected.

WE DON'T LIKE SURPRISES. THAT INCLUDES COSTS.

Featuring a six year (55,200 hour) lamp life with absolutely zero maintenance, the Air Sniper Spectrum 800™ is a work-horse that minimizes ongoing facility costs.
